TWO: B

Panel 5: Crashed UFO in a suburban town. The UFO creates a crater in the ground and Xephanie is inside. B (18) is walking to school and sees the UFO and doesn't react to the site before her. This is from a side view where we can see the houses beside the crashed UFO and the sidewalk B's walking on.

Panel 6: B is looking down into the crater. POV Xephanie looking up at B from the crater.

3. B: you, ok?
4. Xephanie (thoughts): A HUMAN! I need to shapeshift.

Panel 7: Xephania pulls out the computer, and it displays a hologram of a building. Xephania points to it. She is still in the crater. Human now.

5. Xephania: WHERE IS THIS?!
6. B: That's my school. It's just down the street.

Panel 8: Xephania is still in the UFO's crater and B is standing on the sidewalk. She has also grabbed a small orb which is the computer.

12. B: Name's B.
13. Xephania: I am known as Xephania!

THREE: School Life

Panel 10: We flashback to a week ago on Planet ZEEP and this is where Xephania comes from. A ZEEP commander (late 40s) is giving orders to Xephania in an alien command center. This command center has similar interior design and aesthetics to the death star, but with more green accents. The angle is behind Xephania and looking at the commander. Both Xephania and the ZEEP commander are slime-like aliens.

1. Caption: A Week Ago...
2. ZEEP Commander: One of our kind has snuck away to planet earth.
3. ZEEP Commander: IT IS IMPERATIVE THAT WE CATCH THEM!
4. ZEEP Commander: You must not cause a scene and blend in with the humans. So, shapeshift after landing safely.
5. Caption: Planet ZEEP

Panel 11: The ZEEP Commander displays a hologram of a school. They are still in the command center. Same angle as previous panel.

6. Xephania: Yes Commander.

7. ZEEP Commander: We have tracked them down to a school in Roswell, New Mexico. They have shapeshifted to blend in with the humans so you must identify them and capture them.
8. ZEEP Commander: If noticed by the enemy they will go into hiding. It will take months for the computer to retrack the fugitive.

Panel 12: Exit the flashback. Xephanie and B are walking together. Xephanie looks at B with a perplexed look on her face. This is a front facing angle.

9. Caption: Present
10. Xephanie (thoughts): Commander's going to be pissed.
11. Xephanie (thoughts): At least I have a human ally!
12. Xephanie: So, what do humans do?
13. B: I'll just show you.

(The next panels are like a montage)

Panel 13: Xephanie and B both attend school. They are both sitting at the back of the classroom and Xephanie is lying on the desk while B is taking notes.

14. Xephanie: This is sooo boring.
15. B: Tell me about it.

Panel 14: Xephanie and B are eating food in a Diner. Xephanie is eating a burger while B is picking at her fries. This is from a side view with classic booth seating and there is decoration on the wall beside them.

16. Xephanie: Human food is the best!
17. B: I also think human food is the best.

Panel 15: Xephanie and B are playing video games in B's room. They are playing super smash bros and Xephanie looks frustrated at the game and is sitting on the floor while B is sitting casually on the bed. This is from the TV's POV.

18. Xephanie: I LOST AGAIN!
19. B: You suck Xep.

FOUR: Found You

Panel 16: Xephanie is lying on B's bed sprawled out and looks bored. The computer is sitting in the corner and buzzes off. We see this from a bird's eye view looking down on the room.

6. Xephanie: I'VE FINALLY FOUND YOU!
7. Zora: What?
8. Xephanie: You are under intergalactic arrest.

Panel 19: Zora pleads with Xephanie, and B is beside her. Same angle

9. Zora: I thought you left! Please don't arrest me! I haven't hurt anyone!
10. Zora: On Planet ZEEP, I was so lonely!
11. Zora: THAT'S WHY I LEFT!

Panel 20: Zora looks distraught as we get a closer look at Zora, B, and Xephanie.

12. Zora: Humans have been really kind to me. Even if they are gross and fleshy...
13. B: ouch I'm right here

Panel 21: B and Xephanie just look at each other while Zora looks distraught.
