Panel 1: An ordinary, peaceful morning at the Fire Station 17. A small, orange cat, Blaze, wearing a security guard vest, sits on a desk near the entrance.

1. BLAZE: (thinking) Another day of sitting around and watching the premises while the real heroes head out.

Panel 2: The firetruck zooms out of the station. Ted and the other firefighter team waving as they pass Blaze.

Blaze waves back with a faint smile but looks wistful.

2. BLAZE: (thinking) I wish I was human so I could go on adventures and save lives too. Ted and the team are so lucky!

Panel 3: THE NEXT DAY

Blaze sits at his desk. Ted notices Blaze's glum expression.

3. TED: What's got you down, buddy? Feeling stuck again?

4. BLAZE: **sigh.** Ted, I became a security cat to help people. And I do love helping the visitors we have. But... I want to do more. I want to save lives too! Is there no way I can join you guys?

Panel 4: Ted leans on the desk, empathetic.

5. TED: Blaze, you've done a lot for the community. But you the rules, it's just not safe out there for a small cat like you to go into big fires.

6. BLAZE: (quietly) I understand.

Panel 5: Blaze sits on the roof of the fire station, gazing at the city skyline. A faint glow of orange light catches his attention in the distance.

7. BLAZE: (thinking) A fire?! But that's... coming from the forest!

Panel 6: Blaze turns around to inform the team, but instead of returning to his desk, he leaps off the roof, ditching his security vest.

8. BLAZE: I may not be able to stop fires, but I know I can save a life! I'll show them cats can be heroes too!

Panel 7: Blaze sprints toward the forest. Smoke rises, and flames can be seen in the distance. Birds scatter overhead, chirping frantically.

9. BLAZE: Oh no! It looks like the birdhouse is going to catch on fire! And the firefighters won't get here in time to save the flock of birds.

Panel 8: Blaze spots a group of small birds trapped in a tree surrounded by flames. They chirp in distress.

9. MAMA BIRD: (distressed) Help! I can't fly through the smoke! My babies and I are stuck!

Panel 9: Blaze weaves through the flames frantically trying to climb up the tree. He digs his claws into the tree and starts to climb.

10. BLAZE: Hang tight! I'm going to save you!

Panel 11: He carefully nudges the birds onto his back, one by one.

Panel 12: Blaze races down the tree with the birds on his back, dodging falling debris and bursts of flames.

11. BLAZE: I got you! I'm going to save you from the fires!

Panel 13: Blaze reaches a clearing where the birds can escape safely. They fly off, chirping their thanks.

12. MAMA BIRD: Oh, thank you, Blaze! You are our favourite firefighter.

Panel 14: Firetrucks arrive at the forest. The firefighters spot Blaze near the edge of the flames, covered in soot but triumphant.

11. TED: Blaze? What are you doing here?

12. BLAZE: I'm sorry for fleeing the station, Ted. I know it's unprofessional of me. But I saw a fire and I just wanted to help, and –

12. TED: (interrupts) I saw you let go of a flock of birds, dude. Did you really climb that tree through the fire? You saved the birds!

Panel 15: Blaze returns to the fire station with the back of the team.

13. OTHER FIREFIGHTER: I heard what you did, Blaze. You're a true firefighter at heart.

14. TED: Blaze, my dude, you're part of the team now. An honorary Firefighter Cat!

Panel 16: Blaze wears a small firefighter helmet and badge. He sits proudly on the firetruck, surrounded by the team.

15. BLAZE: (thinking) I finally found my place. I am Blaze, the Firefighter Cat Hero!
