

TITLE

can I start
now?

can you wait
3 seconds?

you take
forever

whatever

what're we
watching
again?

dunno, I just
picked a
random one

what? what if
you picked a
boring one?

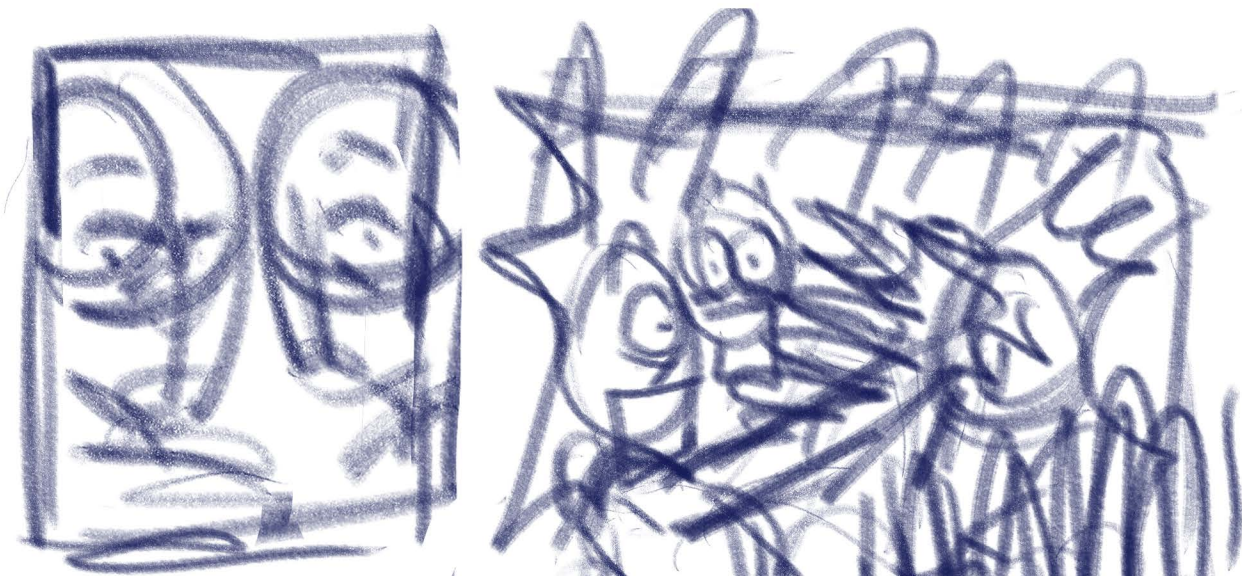

ohh my god
we're not spending
another hour
scrolling for one
that looks good

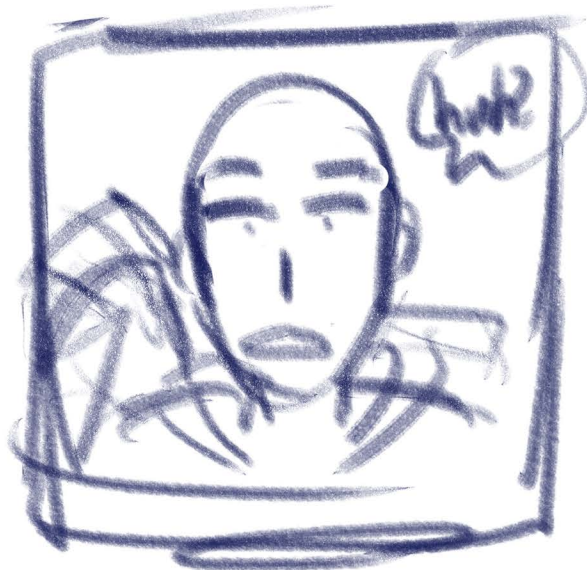

yeah but I
don't want to
watch a boring
movie for
movie night

a boring
movie isn't
gonna...

...kill you

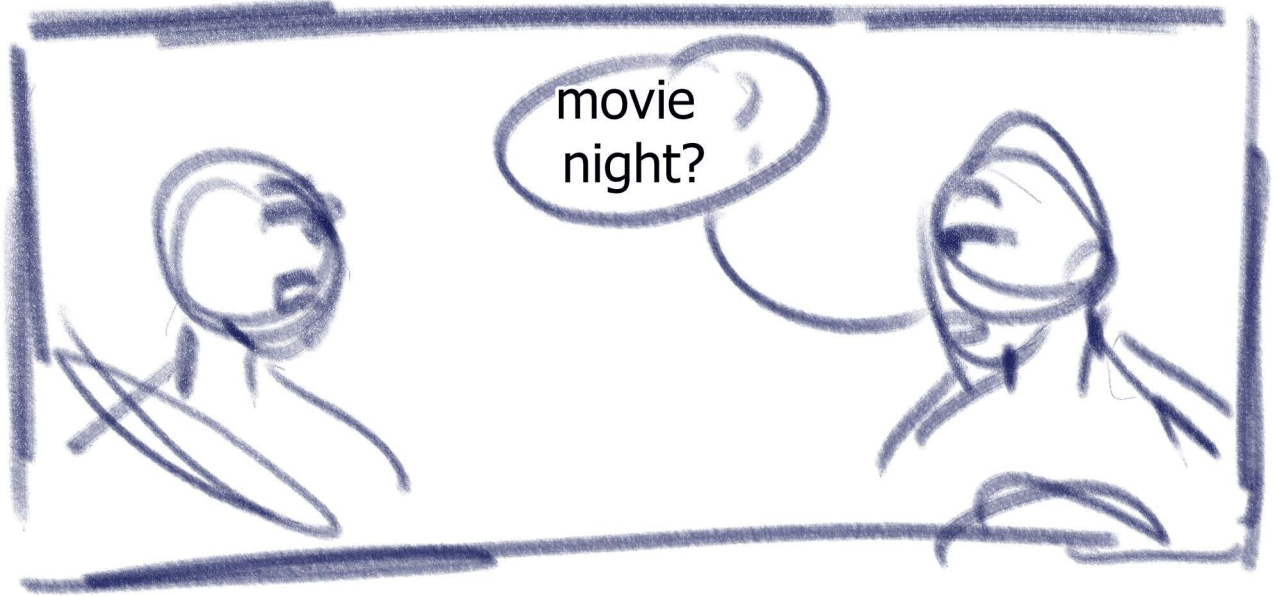

wait why
are we-
don't worry
girl I got it

no way she's
going back to him

she could do so
much better
